Re: Year End Report (07/01/07 - 12/31/07)

Dear Ms. Daughtrey:

This submission is in response to your review of the above referenced report.

1. Expenditures for Catering and Facility Rental Deposit reported on Schedule B were for events in support of the Committee's own policy and fundraising efforts. These expenditures were not made on behalf of a federal candidate.
2. The expenditure for Advertisement reported on Schedule B was to provide notice of a policy and fundraising event for the Committee. The advertisement did not expressly advocate the election or defeat of a federal candidate. The expenditures for Printing reported on Schedule B were for photocopies for the Committee's own fundraising and internal operational activities. The materials distributed that meet the Commission's definition of a public communication did not contain express advocacy.
3. The Committee is a small organization at the present time and does not have significant overhead expenses or office assets. Administrative expenses were properly and sufficiently disclosed on the report. The Committee paid the entity Joe Williams for Education management fees for overhead expenses and to run the day-to-day operations. Salaries are disclosed on the report.

Sincerely,

Joe Williams
